

Bob Rudolph Miramonte Class of 1963

Bob jumped in early with the All Orinda Reunion spirit.

He ran our website for a bunch of years,
and set up the Military Service link, and still keeps coming!

A retired real estate agent and pilot, here's how he describes himself:

I'm probably the most boring person ever raised in Orinda.

I had a very unexciting career, a nice family and a long term marriage
to one of the most beautiful women that Walnut Creek ever produced.
