

Nancy Rieser Miramonte Class of 1967

Brash, opinionated, headstrong, and wonderful Nancy has been a researcher for Kaiser, and a location scout for movies and television.

She was instrumental in the original development of the first All Orinda Reunion in 1990

Years back, she co-founded the group Crockett-Rodeo United to Defend the Environment (CRUDE) the group educated residents about the dangers of the Phillips 66 tar sand refining expansion.

She represented CRUDE at educational forums and climate change events.

And she continues to make “Good Trouble”.
